

Message

To my dearest Talmidot,
I feel so honored and grateful to be able to be beside you on this uplifting journey. Hashem loves us all so much and all we need to do is open our hearts just a bit, the eye of a needle size, and He will do the rest. Congratulations on all our steps ahead. We are in this together and I believe in you.

Love always, Dr. Uzhansky

Contest Rules

Students will complete different challenges of mitzvot throughout the month. Students will receive a reward for each level they complete. Students will choose a level that they wish to complete for the full month after that month is over. Students may switch levels. Students will bring a signed letter back from a parent stating that they have completed the challenge fully. In this packet students will be able to find the contest on page three. Along with the parent signature sheet on page four.
